Hi Gina,

Thank you for the information. I assume you are overwhelmed with people wanting to help but I also want to help with this event. I am the IOC Rule Manager for our drinking water program so I have some experience with metals data. Do you know if there is a list of people to call and if so can I get my name on the list?

Thank you,

Natalie

Subject: Gold King Mine Incident Update

On behalf of Shaun and Deb, I am sending out the 8/10 Gold King Mine incident update (attached), for your information. Please direct any questions you have to the EOC or your ARA, who can help direct you to the right person/department for answers.

Regards, Gina
